A peace activist, motivational speaker and video journalist

Ken E. Nwadike, Jr., is a peace activist, motivational speaker, and video journalist known as the Free Hugs Guy online. Mr. Nwadike Jr is the founder of the Free Hugs Project, which produces motivational videos to spread love, inspire change, and raise awareness of social issues. His ‘Free Hugs’ videos have reached hundreds of millions of views on Facebook and YouTube.

In 2014, Ken launched the Free Hugs Project to spread love in response to the bombing of the Boston Marathon.

“While viewing the devastation of the 2013 bombing of the Boston Marathon, I was determined to be a participant in the next race. I failed to qualify by just 23 seconds, so I decided to attend the event in a different way. I provided free hugs to runners as encouragement along the route. This simple act made national news headlines and lifted runners’ spirits. Hugs produced smiles and gave runners an extra boost as they ran.”

The Free Hugs Project gained popularity in 2016, as Nwadike made major news headlines for his peace-keeping efforts and de-escalating violence during protests, riots, and political rallies. The Free Hugs Project is a program conducted at workplaces and colleges, designed to bridge racial divides and encourage civility.

Ken was featured in Google’s 2016 Year in Search video as a highlight of some of the year’s most defining moments. He has made many appearances on news programs and radio broadcasts worldwide, including CNN, USA Today, Good Morning Britain, and BBC News. Ken has spoken at hundreds of Colleges and Universities and is a favorite at high-schools and corporations.

Today, Ken’s courageous work as a peace activist is an example of how all individuals have the ability to Capitalize their Future through service to others and what may seem like small gestures to some can make a significant difference to many.

**Confirmed Day of Service Activities**

**A Million Thanks**
Location: Woodrow Wilson Ballroom A

**BPA Cares School Supply Drive**
Location: Woodrow Wilson Ballroom B

Description: School supply drives help provide students with the supplies they may not otherwise get due to budget constraints. This service activity will create student backpacks made up of school supplies donated by our BPA Day of Service sponsors and will include items such as pencils, notepads, folders, glue sticks, crayons, travel tissues and more. We challenge every NLC participant to pack a brand new folder or box of crayons to include in each backpack. Collection boxes will be placed at NLC Registration for all donated items in advance of BPA Day of Service. Let’s work together to help students to capitalize on their future through the next academic year.

**Walk for Special Olympics Posters**
Location: Woodrow Wilson Ballroom D

**A Smile A Day Thank You Cards**
Location: Woodrow Wilson Ballroom A

Description: Saying thank you may not repay the good things someone did for you, but it can certainly put a smile on their face. While at NLC, show your gratitude for those who work behind the scenes to make this conference a success. Whether it’s the bellman who helps you with your bags, or the housekeeper who keeps your room clean, write A Smile A Day Thank You Card for the amazing individuals who made a difference in your conference experience.

**BPA Coloring Books for Kids**
Location: Woodrow Wilson Ballroom C

Description: Help give hospitalized children a chance to add some color to their day. The National Officer Team invites you to join us in either donating a brand new coloring book for kids, or coming to the BPA Day of Service and creating special BPA coloring books that will be distributed to local area hospitals. Come join the fun and help put a smile on a child’s face.
Housing Overview

Housing reservations for the 2020 National Leadership Conference will open on Friday, February 28. Reservations must be submitted via the BPA NLC Conference Registration System located here.

A limited number of hotel rooms are available for pre- and post- conference stays. The official stay for the 2020 National Leadership Conference is Wednesday, May 6 – Sunday, May 10, 2020.

All housing reservations must be made online during your conference registration.

Reserving Hotel Rooms

- Use the BPA Online Conference Registration System (CRS) to make your hotel reservations. Unsubmitted reservations will not be saved in the CRS. Reservations must be submitted prior to leaving the system or they will be deleted. After Wednesday, April 8, you must contact the hotel directly for all reservation changes.
- Select the members that will be rooming together.
- Input arrival date and departure date.
- Input Special Needs if applicable.
- Click “Calculate Total” for your chapter hotel reservation total.
- The “View by Room” button will allow you to see the members by room.
- The “View Split Out Details” will allow you to see the price of the room per member.
- Unsubmitted reservations will not be saved in the Conference Registration System. Reservations must be submitted prior to leaving the system or they will be deleted.

Participants confirming a hotel reservation with BPA, but failing to show at the hotel to fulfill their reservation without proper cancellation, will be responsible for all charges associated with a no-show fee. BPA reserves the right to collect fees from schools directly should a no-show fee result in a direct expense to BPA.

Hotel rooms may not be held under generic/general space saving names. If generic/general space saving names are used for the purpose of booking a room, they will be automatically removed from our system.

For assistance prior to Thursday, April 2, please contact Jonathan Smith, Director of Strategic Programs & Experiences, at jsmith@bpa.org.

The hotel reservation deadline is Wednesday, April 1. The BPA blocked room rates are not guaranteed after this date. All payments and reservations must be made at the appropriate hotel according to your state/division assignment.

Modifying An Existing Reservation

- Prior to or on Thursday, April 2, you may e-mail Jonathan Smith, Director of Strategic Programs & Experiences, at jsmith@bpa.org to make any changes to an existing reservation. This includes deleting and adding rooms.
- Please note that it may take up to 10 business days to receive a revised invoice copy from the hotel after making changes to your initial reservation.

Hotel Room Bed Type Assignments

Room types are automatically assigned by capacities:

- 1 Bed: 1 or 2 people
- 2 Beds: 3 or 4 people (Double/Double or King plus Rollaway)
  – 2 Beds at the Residence Inn consist of a king bed with pull-out sleeper sofa. These rooms can accommodate up to 4 people.

If auto assigned a one-bed room, you may request a two-bed room after Wednesday, April 8, by contacting the hotel directly.

Advisors and students are not permitted to share a room. Males and females are not permitted to share a room.

Sharing a room with students from other chapters (mixed reservations)

Chapters are permitted to share rooms with students from other chapters. To complete a Mixed Reservation:

1. Chapters must determine who will be responsible for making the reservation.
2. The chapter charged with booking the reservation will click the Hotel Reservation link, located inside the conference registration system. Then, click the “Add Additional Individual” button found on the reservation page near the bottom of the screen.
3. Type in the student’s name you are adding from the other chapter and continue to assign them to a room.
4. The chapter NOT booking the reservation will leave the student off of their reservation completely. This chapter must make arrangements for payment with the chapter booking the reservation as the fee for the room will only appear on the booking chapter’s invoice.
5. If you have a chapter where ALL of the members are sharing with another chapter and you are therefore booking NO rooms under your chapter ID, click the Hotel Reservation link, then click the Delete Reservation link. You will then type in the name and Chapter ID you are sharing with and continue with your conference registration.

Date: Wednesday, May 6 Time: 3:00 pm – 4:00 pm Location: Chesapeake 4-6

This meeting is required for all Candidates, Campaign Managers, and Head Voting Delegates. General Voting Delegates are invited, but not required to attend.

Immediately following the meeting candidates will take the Merit Scholar Test.

Candidates will be introduced at the Opening Session and can immediately begin distributing business cards. Only the candidate and the campaign manager can campaign prior to the rally and may only distribute standard business cards.

Speeches will be given at divisional business meetings. There will be a Campaign Rally during which materials for each National Officer Candidate will be distributed to delegates. Only the candidate and the campaign manager are allowed to campaign (All campaign materials must be distributed only in the room designated for the Campaign Rally and only during the specified time period except for the business cards by the candidate).

If needed, based on the number of candidates, a primary election will be held by secret ballot during the Campaign Rally at the time specified in the program. Every student member attending NLC will have an opportunity to cast a ballot during the primary election.

There will be no nominations from the floor. Any violation of the rules will be brought before the NLC Rules Committee. All grievances must be filed using the Grievance Form and following the proper Grievance Policy Guidelines. Any damage charges by the hotel resulting from inappropriate campaigning will be charged to the candidate’s state association.

Schedules will be distributed prior to the State Caucuses. The top 10 candidates for each division will have an opportunity to caucus.

The primary election results will be pro-rated based on the number of voting delegates allocated to each state association which is determined by memberships submitted to the National Center by Friday, February 15, 2020. Only designated voting delegates will cast votes in the general election and transact all other business.

Offices will be filled by the six (6) candidates receiving the highest majority votes for the Secondary Division and the four (4) candidates receiving the highest majority votes for the Post-secondary Division. Once the six (6) Secondary officers and the four (4) Post-secondary officers have been elected, a placement committee will slate the officers in a specific office position. Candidates will be interviewed by this committee before placement. Members of the committee will include two (2) Board Members, Director of Leadership Development, Executive Director, one (1) former National Officer, and one (1) Alumni Member.

Secondary Division Voting Delegates

Membership dues received after Friday, February 15, if postmarked prior to February 15, and if mailed first class, shall qualify for the February 15 deadline. Additional votes will be determined by multiplying the state student membership total by a factor of .003 and rounding to the nearest whole number.

Post-secondary Division Voting Delegates
The number of Post-secondary Voting Delegates is determined by granting each State Association three (3) votes plus additional votes, based on their paid student memberships received in the National Center Friday, February 15, 2020. Membership dues received after February 15, if postmarked prior to February 15, and if mailed first class, shall qualify for the February 15 deadline. Additional votes will be determined by multiplying the state student membership total by a factor of .008 and rounding to the nearest whole number.

Students are not permitted to attend the NLC without an advisor or chaperone. Students may travel with designated advisors other than their own only with written notice to the National Center. Please email alternative chaperone assignment requests to jsmith@bpa.org.

NLC Volunteer & Internship Program

The NLC Volunteer & Internship Program is returning bigger and better for our conference in National Harbor, MD! Volunteers drive the success behind Business Professionals of America, and we would not accomplish a fraction of the good work that is done without them. Volunteers are especially important to the success of our National Leadership Conference.

After such great success with the restructured program in 2019, not only are we offering the Volunteer & Internship program with an alumni mentorship component again, but we’re expanding the program to include even more internship experiences. Business Professionals of America embraced the unique opportunity to enhance the volunteer experience for all students and educators who participate and have streamlined the initiative and heightening the roles and responsibilities for students and advisors. The modified program structure not only allows BPA volunteers the opportunity to do more for the time they are participating, it also offers the National BPA Alumni Division the ability to become more involved and engaged with our National Leadership Conference, as well as with our student and advisor members.

Purpose of the NLC Volunteer Program

For the students: The student volunteer program offers benefits to our organization, to the students, and in some cases, to the community. Volunteer opportunities are a way to develop skills and apply the knowledge learned in coursework. Students also benefit from the “real world” and professional experience that can be gained, which contributes to a student being more competitive when seeking employment after graduation.

For the Advisors: Advisor volunteers obtain and provide benefits which may include:

- Overall financial savings to the full membership by keeping conference registration low
- Networking opportunities
- Stronger engagement and involvement that leads to becoming further invested in BPA

A complete listing of all NLC Volunteer opportunities are now posted on the bpa.org website.

Volunteer Registration

Advisors can register students for the NLC Volunteer Program while registering their students online for NLC.

Approval in the NLC Volunteer program is granted by the local advisor and confirmed by selecting a volunteer event and submitting the online conference registration. No other approval is required. Please contact Heather Bunning, Director of Marketing & Stakeholder Engagement, at hbunning@bpa.org for additional information or questions.

Purpose of the NLC Internship Program

The NLC Internship Program offers experiences to students that are focused specifically on a job/ responsibility at NLC. These internships have been developed and structured similarly to that of a company or business internship experience, ones with goals, objective and outcomes for the interns. The program provides a specific outline of expectations, presents hands-on learning and mentorship, in addition to offering specific assignments and outcomes through the entire National Leadership Conference. In addition, new for 2020, one of BPA’s newest sponsoring partners, Reach and Teach will be offering up to eight additional internship experiences for BPA student members.

The internship experiences available during the National Leadership Conference will provide hands-on learning and mentorship, a behind-the-scenes experience of what is involved with key components of the conference, and a career exploration opportunity that few students have the ability to experience at an early stage of planning for their future.

The number of internship opportunities will be limited, however, students that apply but are not selected to be part of the NLC Internship Program will be assigned to an NLC Volunteer Program initiative to ensure that all students have a chance to be involved.

Each NLC intern will be matched with a BPA Alumni for mentorship, on-site training and real-world learning experiences throughout the conference.

Students interested in learning more about and applying for the NLC Internship Program opportunities are encouraged to visit the bpa.org website.

Local advisor approval/sign-off is required for all NLC Internship experiences.

We are excited about the opportunity to work in collaboration with our National BPA Alumni Division and our sponsoring partner Reach and Teach to bring such incredible opportunities to this program for all of our members!
Become Part of the Stars & Stripes Walkway at NLC this May!

This year at the Business Professionals of America National Leadership Conference, we’re shining the spotlight on all our stars, and that means you!

Showcase your chapter, your team or yourself through BPA’s very own Stars & Stripes walkway at this year’s National Leadership Conference.

Your Stars & Stripes decal will shine all week long as we celebrate the accomplishments and successes of everyone who has made it to NLC!

State Associations, chapters, teams, students, advisors, alumni and parents all have the chance to secure a star in this year’s Stars & Stripes walkway.

State Associations and advisors can purchase Stars & Stripes decal for themselves, their chapter and their students directly through the Conference Registration System. Parents and alumni can purchase Stars & Stripes decals for their children or colleagues online through the NLC HQ website.

Price: $75 per decal (each decal will be 2’ x 2’ in size)

Orders will be accepted through March 25, 2020.
